

# EVGENIY VASHCHUK

## FRONT-END DEVELOPER

### PROFILE

I am a creative front-end developer located in Kharkiv, Ukraine. At the current stage of my life I'm interested in web technology and site building. During last two years I have been working on many various projects to polish my skills in web development.

### SKILLS

Here is a selection of relevant technologies that I have experience with:

- HTML
- Pug
- CSS
- SASS
- Bootstrap
- BEM
- JavaScript
- jQuery
- Ajax
- Gulp
- Git
- Wordpress
- Magento (1 and 2)

### EXPERIENCE

#### YUUSH

Front-end developer | 2018 (October) - PRESENT

- Worked with e-commerce projects built on Magento.
- Communicated with back-end developers to solve tasks of the project.

#### KRIZANTOS

Front-end developer | 2017 (August) - 2018 (September)

- Developed fully functional responsive websites using HTML5, CSS3, JavaScript and JQuery.
- Developed and supported websites for different companies using Wordpress (CMS).
- Developed HTML-templates and Wordpress-templates for platform - themeforest.net.
- Tested front-end code in multiple browsers to ensure crossbrowser compatability.
